

PRODUCT
CATALOGUE

Awaken people to a more prosperous world.

This is our purpose

C.Vale was established in **1963** when **24 farmers** joined to create a cooperative company. Nowadays, the cooperative has over **26.2 thousand** members and **13.7 thousand** employees and is the second **largest Brazilian agribusiness cooperative**, with over a hundred branches across the states of Paraná, Santa Catarina, Rio de Janeiro, Mato Grosso, Mato Grosso do Sul, Rio Grande do Sul and also in Paraguay.

Principles and Values

Focus on the **client**, be **compromised**, act with **honesty**, act with **respect and** practice the **sustainability**.

Food Quality and Safety Policy

Meet the expectations of our members, suppliers, clients, consumers, employees and the community through a **safe**, legal and **authentic system** of continuous improvement of **people, processes and products**.

Sustainability Policy

Produce food through continuous improvement, aiming to **reduce** and/or **optimize** the use of **natural resources**, promote the **economic, social** and environmental development, preserving the **integrity of communities** to the future generations, complying with the **legal requirements** and improving **socio-environmental** performance.

Socio-environmental Responsibility

The **great challenge** of agribusiness is to produce, use **natural** resources rationally, and **generate** economic and **social benefits**.

C.Vale maintains programs for the **sustainable** use of soil, water, and air, in addition to carrying out actions to **support social** service entities.

**POINT THE
CAMERA
and access
the ESG report**

A cycle focused on the common good from *beginning to end*

Environmental

- No-tillage with straw mulching (NTSM)
- Springs recovery
- Riparian forest protection
- Collection of agricultural pesticides packaging
- Wastewater treatment
- Alternative energies
- Water and energy use reduction programs
- 3R's program (Reduce, Reuse, Recycle)
- Own reforestation area
- Renewable energy investing
- Climate risk valuation
- Energy efficiency practices

Social

Associate Members

- Technical, professional and personal training
- Diversification of activities
- Agronomic technical assistance
- Economic participation of members (fair distribution of resources)

Youth

- Leadership training
- Entrepreneurship
- Family succession
- Trainee, internship and young apprentice

Community

- Cooperjovem program (education)
- Aid to charity entities

Employees

- Benefits programs (dental, medical, life insurance, meal vouchers, child allowance, profit sharing)
- Corporate university
- C+ program (indication, housing)
- Training plans and awareness campaigns

Governance

- Internal audits
- Management control system
- Privacy and personal data Protection policy
- Open and voluntary membership (inclusion and diversity)
- Ethics committee (transparency integrity)
- Risk mitigation

Cvale

We proudly celebrate our history, but we never stop looking towards the future.

At **C.Vale**, we believe that work and **innovation** go hand in hand to ensure everything is **done well**. That's why we are **always** striving to stay one step ahead, anticipating the **needs** of **markets** and consumers **worldwide**.

And soon, you will discover exciting news.

Created to provide **more comprehensive consumer experiences** and deliver even greater sales results.

Introducing the new C.Vale Foods line.

- **Easy-to-Identify** packaging designed for quick recognition at the point of sale
- **Modern and Attractive** design
- **Expanded Portfolio** a wide range of chicken and fish options
